CITY OF AUSTIN, TEXAS**

---

**Solicitation: IFB 8600-DCM1023 REBID1      Addendum No: 2      Date of Addendum: 05/27/2020**

---

This addendum is to provide a response to a question received on the above-referenced solicitation.

**I.      Questions:**

Q1:      Bid Instructions, Section 3.1.3, states pricing must be inclusive of all costs including shipping. On the pricing submittal sheet, it has a unit price. Basically, where I am getting at is for example, on the probes you have the quantity of 5 for annual estimate. I can quote shipping 1 probe at a time or I can quote shipping 5 probes together in that case we could tape them together and ship as 1 package which would be a lot cheaper to do. How would you suggest I quote the items with more than 1 quantity?

R1:      Estimate shipping for each item individually and set that as the unit price.

**II.      ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.**
